Above created April 2011

Distance and Fares between Airports. (Updated 22/07/2013)

Mileage between London Airports. Quickest route not shortest (based on Tom Tom advanced routes). Many use M25.

Fares based on T1, 13/14 rates. For tariff 2 add £3.60 and Tariff 3 add £8.00

Does not include waiting time due to congestion, traffic lights, etc i.e. the absolute minimum fare.

From HTR + extra £ 3.20 at all times. Heathrow based on Term 1.

Heathrow T5 – BAA's Handout on location of T5. When dropping off at T5 proceed along M4 to M25 and turn south on M25 and follow signs to T5. Do not use North and Western perimeter roads unless there are problems with M4/M25.

Heathrow

Directions to Terminal 5

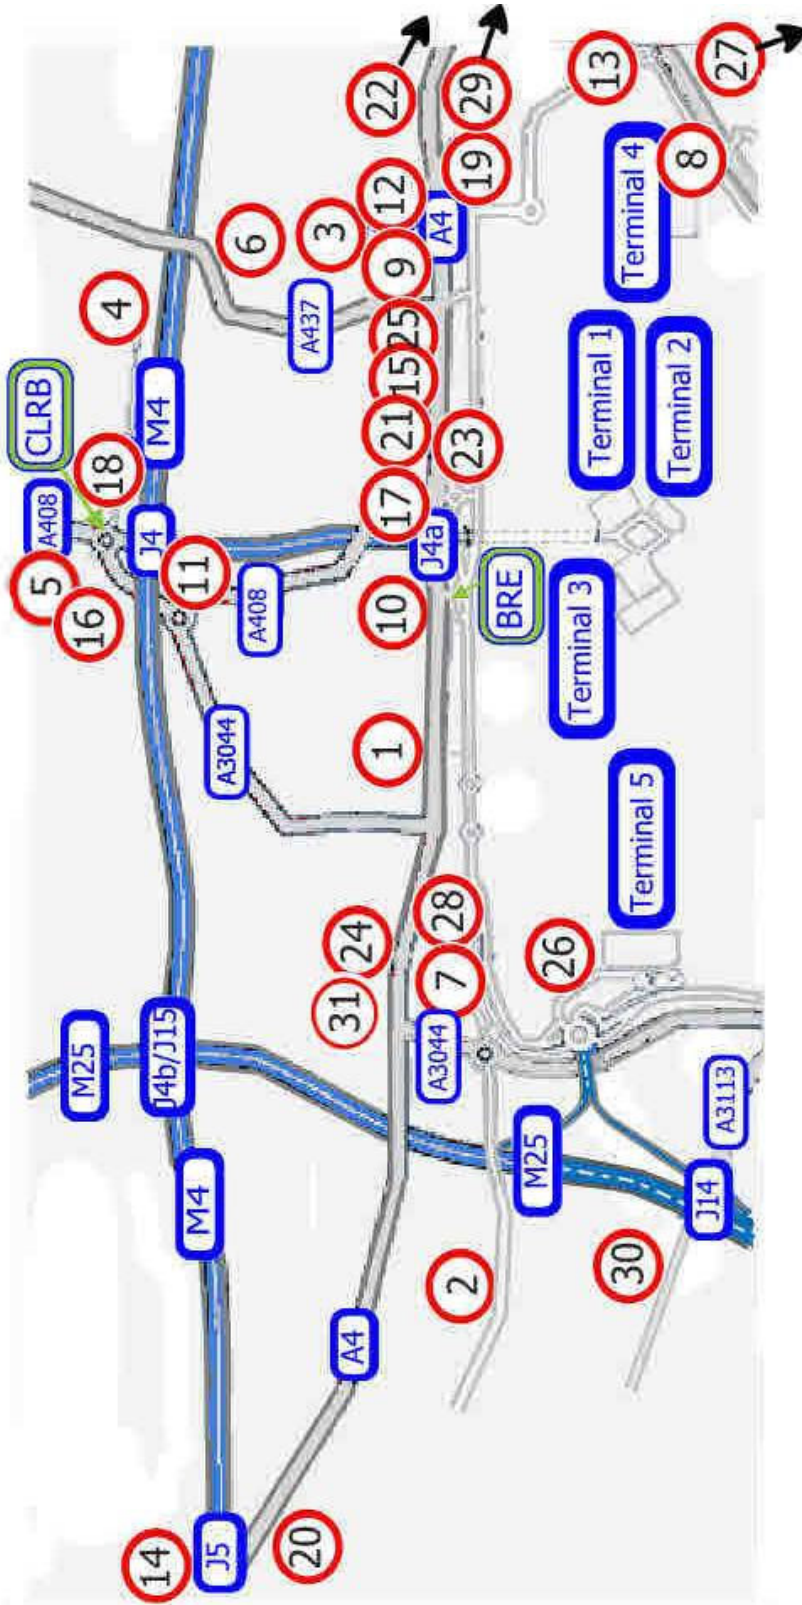

To pick up a fare at Terminal 5, travel along the Northern Perimeter Road in a westerly direction. As you approach Terminal 5 take the left fork (Wallis Road) and immediately swing into the Taxi buffer lane (Windsock Way). Here you wait until you reach the front of the queue where you will be despatched by Taxi Expert to the Terminal. Proceed following the road signs to the Arrivals forecourt on the lower level where you will find the Taxi Rank between stops 21 and 22.

Please note that when returning to Terminal 5 from the south along the Western Perimeter Road from a local journey there is no right turn into Wallis Road. Drivers should continue to the Northwood Road roundabout and turn there.
