

Nash's Numbers by Alan Nash (A95)

Christmas is coming and so are the theatre goers. "Popcorn mate" I hear them say, no thanks I'm on a diet. Listed below is a "what's on" at the main theatres. The list was as complete as possible at the time of compilation. Key to the remarks column:- TBC - To Be Confirmed. Times - are the time the last performance ends. The ENO shows until 6/12/97 are different on most days. As usual any comments, corrections or suggestions to me at anytime on 0181 506 1000 mailbox # 0195.
