

NASH'S NUMBERS_{by Alan Nash (A95)}

This month we answer that regular question *"here cabby if the fares more than ten quid can we stop at a cash machine"*. We have all had that question and they always ask for a particular bank and yes in their eyes we should know everything. All National Westminster cards can also be used in Midland cash points and vice versa, the same applies to Barclays and Lloyds, therefore the list below shows just one Nat West or Midland per post code and a Lloyds or Barclays. The "Link" column is for building society cards, the list is primarily based on Abbey National, Halifax and Nationwide. All Midland addresses were taken from their directory of cash points but as they are the only bank to do this, all the rest were taken from a list of branches and therefore the presence of a cash machine cannot be guaranteed. Thanks to W18 (I am working on your request) who was the only person to come up with a suggestion for a feature in a future edition. Don't be shy let me have your suggestions, or any errors in the data I produce on 0181 506 1000 mailbox number 0195.
