

Nash's Numbers

by Alan Nash (A95)

Yes the Eurostar Winter timetable is with us (issue 13), and I am sure you all wish to know when the trains are arriving during our "kipper" season. It is valid until 27th March 1998. I have also included the train number but I don't know why.

For a future column I intend to assist those with a weak bladder and produce a "Urinals of London", could be a best seller one day. I am currently trying to get lists of street urinals from the local councils, but if **you** know a of a good garage or other unusual or useful "relieving" area, please let me know by leaving a message on my voice mail at anytime, which is 0181 506 1000 voice mailbox number 0195. Please no well used brick walls we do have day men and ladies.
