HEATHROW HOTELS.

At the request of one of our drivers. This was to be a map, however I did need search out these hotels to check location and current name, however this was not only very time consuming, I got hailed outside the Heathrow Park Hotel and not being one to turn down a fare, this is all I could manage this month. Where possible I have put a map ref. from the Geographers "Master Atlas of London". A new Marriot is being built in Bath road which, when built may cause confusion with the Heathrow Marriot in Slough. I would appreciate some feedback on errors or omissions by leaving me a message on 0181 506 1000, when requested mailbox number enter 0195 or leaving a note at DAC reception for "Call Sign".
