

Nash's Numbers by Alan Nash (A95)

Hotels - Firstly let me correct some errors in the October '99 edition. The hotels listed under "Crown Plaza also own" should have read "Forte also own" and the heading "Crown Plaza hotels soon to open" should have read "Hotels to open soon". Some additional information on hotels since October -

"My Hotel", 11-13 Bayley St. WC1 (formerly Bedford Corner Hotel)

Grange Holborn Hotel, Corner Theobalds Rd and Southampton Row, WC1

St. Martins Lane Hotel, 45, St. Martins Lane, WC2

Jarvis Marylebone Hotel, 3, Harewood Row, NW1 (formerly Stakis Harewood Hotel)

Thistle Lancaster Gate, Lancaster Gate, W2 (formerly Park Court)

Heathrow Terminals - Back in the June '98 issue, I listed Heathrow terminals in the same way as everyone else, by terminal, but having used it, this is not the easiest of quickly finding the right terminal. The following list will make it much easier.

PLEASE HELP - Lots of changes take place in London and you are the eyes that spot all these changes. Please help me to compile these changes into forthcoming issues, even very minor changes you might think our other drivers would think useful. So please let me know by ringing my voice mail on 0181 506 1000, when the call is answered key 0195 for the special "Nash's numbers" mailbox.
