

Nash's Numbers

Alan Nash (A95)

Revisiting fares to towns. This month is part 1 of fares to towns within the M25, plus to major airports. Please note the figures are based on distance only by using major direct routes, where motorways, especially M25 are shown on some towns on the line below. It is advisable to guess the time being held up in traffic at £25 per hour to add to these figures. LAP "Ins", "Outs" and minimum's have not been taken into consideration.
