

# Nash's Numbers by Alan Nash (A95)

Part 2 of "Restaurants in London". At this time of year I usually list the new fare chart, converted to price per mile, however to meet the editors copy date, I contact the what was the DOT for information. Unfortunately the minister concerned has yet to make a decision, perhaps he is pondering whether to link our fare table to the cost of diesel, in which case we are in for a 20% rise, but don't hold your breath. I therefore hope to slip it in next month if the editor can spare me a few more column inches. The "Elephant on the River" has moved to what was the Vila de Cesar restaurant.
