

# Nash's Numbers

by Alan Nash (A95)

Thanks to Bill Chatterway (A43) for suggesting this article. Let's hope you don't need it. There are 149 Police Stations within the London boroughs and CoL. This months article is a list of the 71 Police Stations that are open to the public 24 hours a day. As Sgt. Phil Esterhaus used to say every week, "Let's be careful out there". I like to wish you all a Merry Christmas.

Apologies for the late update of “Sudoku Special” on the web site, but all posted now.

Also the Sudoku grid shown in last months article was not as intended, again this can be found on the web site.
