

Nash's Numbers

by Alan Nash (A095)

Lost in Pimlico. If you are like me and have promised yourself to learn the one way system in Pimlico, well here is your answer. The area bounded by St Georges Drive, Lupus St, Sutherland St. and Warwick Way. By studying the map remember, "in" from Lupus St. and Warwick Way use Alderney St and "in" from St. Georges Drive and Sutherland St. use Clarendon St. The one way arrows only apply to the part of the road shown.
