

# Nash's Numbers

by Alan Nash (095)

Inspired from a comment from Laurence Kelvin W88, with the rapid closures of Police stations that the "Met Police Station" section 9 of my "Useful Information Document" (UID) is out of date. This month a list of the 24 hour Police stations followed by a list of all other police stations that are open 'Part Time' in the 32 London boroughs.

I am updating part 7 of the UID and should be on-line by the time you read this.

Excluding Westminster that has 2 x 24 hour police stations there is now only one per borough, and most have only two stations. The UID part 9 will also list the part time hours, which are not shown here due to lack of space .
