

# Nash's Numbers

by Alan Nash (A095)

Following on from last month some more hotel chains. Some are a waste of paper such as Hilton Park Lane, but is listed in with all the others for consistency, but it's amazing how many passengers get dropped off there when asking for the Hilton Hyde Park. **Some notes** – Comfort Inn Edgware Road is on the east side between Bosconel St. and Frampton St. - Holiday Inn Kings Cross official name is Kings Cross Bloomsbury, sometime asked for with just the Bloomsbury which is in Corum St. - If you are unlucky enough to be on the KX rank and asked for Comfort Inn, there is a Kings Cross and a St Pancras Kings Cross which are a) different hotels and b) within walking distance. - Comfort Inn Buckingham Palace Road and Victoria, whilst they are different addresses, if you haven't checked the address and going to the Victoria Comfort Inn, when crossing Elizabeth Bridge, you could easily mistake the Comfort Inn on your left for being the place, its not, that's Buckingham Place Road hotel. - Last month I missed a change. Whilst Jury's still own their hotels, Chelsea, Imperial Road and Islington, Pentonville Road are both now called "Douletree hotels".
